Make your personal or corporate CV stand out with the LEED Green Associate. LEED (Leadership in Energy and Environmental Design) is simply a sustainability scorecard for green buildings, but people can also become LEED Accredited to show the industry their knowledge in the field.

This course is taught by USGBC faculty and to date, this course and its materials have proven to be instrumental in helping over 9000 students pass their respective

exam at a 99% pass rate. This course is offered at a quarter of the price and time as the competition.

**Cost: \$200**

**Use the coupon code 'sust' for \$50 if you are paying out of your own pocket.**
